SECURITY SOLUTIONS

Protecting **your** business
is **our** business

What Is Key Holding?

Once you have secured your premises, set your alarm and returned home you want peace of mind that, should those premises sustain an alarm activation it will be dealt with by a professional company who, on attending, will complete a thorough external patrol before entering the premises and dealing with the alarm.

Impact security will then provide a detailed attendance report so you can fully understand why the activation occurred.

Using a professional security company is the right option for key holding, our staff will also liaise with emergency services and follow pre-agreed assignment instructions bespoke to you and your business should premises require boarding up. All patrol vehicles are tracked using satellite technology, our processes exceed the highest standards, our staff exceed the highest standards, let us help you raise your standards.

Your duty of care is to your staff, ours is to our staff and our clients. Lone worker legislation, out of hours on call logistics, key holding and dealing with intruders is all part of what we do. With Impact Security you can rest assured your business is in safe hands.

Focusing
on **your** business

Key Holding Services

- **Alarm Response**

We are on call 24 hours a day, 7 days a week for any emergency response alarm activation. Our guards are fully SIA licensed and all keys are stored using a robust process in line with and above national standards. Each set is uniquely sealed with no reference to property address or alarm details. We also provide a response escort service whereby we will liaise with your key holder and escort them into the premises to ensure safety and security.

- **Mobile Patrol**

We can patrol your site at pre-arranged or random times, our marked, highly visible patrol car and our officers act as a visual deterrent to any would be thieves, vandals or trouble makers. These patrols can be site specific with individual assignment instructions. We also provide patrols for a number of properties, business hubs or industrial estates.

- **Open & Lock Up**

Our trained and accredited staff will unlock and lock up your premises at pre-arranged times. This ensures that the property is secure whilst also removing the risks to members of your staff holding keys out of hours.
